APARTMENTS NOW AVAILABLE

Enjoy comfortable retirement living in the heart of Remuera.

Remuera Gardens retirement village is a private estate surrounded by mature gardens – peaceful, relaxing and yet so handy to a wonderful range of activities and amenities.

At Remuera Gardens there is a strong family atmosphere and our small and personal community will make you feel welcome and safe. Our management team and friendly hostesses know residents by name and are available to attend to personal needs. The lifestyle is as busy or peaceful as you want it to be, with our village shuttle able to make

numerous trips to shopping centres, bowls, bridge and golf clubs. Remuera Gardens is open for viewing now, and we welcome you to visit us anytime during the day. Or if you prefer you can give me a call to arrange a personalised tour at any time.

Please phone Robyn Morton any time on 09 630 4379 or 021 845 524 or email me at robyn.m@realliving.co.nz
